

# Product Overview

## C30 Marine Propulsion Engine

June 2002

The Cat C30 Marine Propulsion Engine is available in a power rating of 1156 bkW (1550 bhp) 1580 mhp. This 30 liter (1831 cu. in.) displacement V-12 cylinder turbocharged and aftercooled diesel engine is electronically controlled and uses the patented Caterpillar HEUI (Hydraulically actuated, Electronically controlled Unit Injector) fuel system. The state-of-the-art HEUI system provides outstanding acceleration and reserve power plus reduced emissions and virtually smoke- and soot-free operation. The C30 engine comes well equipped with many standard items as listed on the specification sheet. There is also a wide range of optional equipment available to meet the needs of your marine commercial or pleasure craft application.

### ■ Optional Monitoring Systems

Caterpillar offers several "plug and play" monitoring systems which display everything from the basic engine operating parameters to engine load factor and trip totals. Ask your local Caterpillar dealer for additional information on our Marine Power Display (MPD), Marine Analog Power Display (MAPD), and our Engine Vision Display (EVD).

### ■ Product Support

Trained technicians at over 1800 authorized service locations worldwide support Caterpillar products. Use our Internet Dealer Locator [www.cat.com](http://www.cat.com) to identify the Caterpillar dealer location nearest to you.

### ■ Parts Availability

To support your Caterpillar parts needs, we have strategically located 70 parts distribution centers in 24 countries on six continents shipping to more than 200 countries throughout the world to provide unparalleled

availability. Over 99 percent of the parts ordered by Caterpillar dealers are shipped from Caterpillar distribution centers within 24 hours.

### ■ Warranty

C30 Marine Propulsion engines used in commercial applications are covered for 12 months from the date of delivery to the end user.

Engines used in non-revenue producing pleasure craft applications are covered for 24 months, unlimited hours, from the date of delivery. Concurrently, specific engine components are covered for 60 months, unlimited hours, from the date of delivery to the end user.

### ■ Extended Service Coverage (ESC)

Optional engine protection coverage for up to 60 months from date of delivery may be purchased through your local Caterpillar dealer.
